Tuesday	April 20	1 – 3 pm	ZOOM
Tuesday	May 3	10 am – 12 pm	ZOOM

Dietetic Technician AAS Transition plan

Students who were new to the programs in Fall 2021 will be completing the “old” curriculum, new changes will not impact those 2nd year students. The “new” curriculum will be applied to new students starting Fall 2022.

PLEASE NOTE: If a “new” curriculum student has completed the 6 credit A&P sequence (BIOL 2252 & 2254), they will need to also complete BIOL 2256 Advanced Physiology. The program will then accept BIOL 2252, 2254, & 2256 as a substitution for BIOL 2260 & 2262.

Nursing AS Transition plan

Students who were new to the programs in Fall 2021 will be completing the “old” curriculum. 2nd year students will complete the “old” curriculum plan.

The “new” curriculum will be applied to new students starting Fall 2022.

Paramedic AAS & Diploma Transition plans

Students who were new to the programs in Fall 2021 will be completing the “old” curriculum, new changes will not impact those 2nd year students. The “new” curriculum will be applied to new students starting Fall 2022.

PLEASE NOTE: If a “new” curriculum student has completed the 6 credit A&P sequence (BIOL 2252 & 2254), they will need to also complete BIOL 2256 Advanced Physiology. The program will then accept BIOL 2252, 2254, & 2256 as a substitution for BIOL 2260 & 2262.

Pharmacy Technology AAS Transition plan

Students who were new to the programs in Fall 2021 will be completing the “old” curriculum. 2nd year students will complete the “old” curriculum plan.
