

Hello everyone!

You have recently received an email regarding our upcoming Fall Advisory Board meeting. Due to the North Dakota AIA conference falling over this same date (which Rod will be attending) and the lack of items to address on our end, we have decided to cancel the Fall Advisory Board meeting for our department.

We would still like to know if there is anything that should be brought to our attention at this point so please feel free to get in touch with us to discuss. Otherwise, we will plan on having our regular Spring Advisory meeting sometime in March.

Our semester has been off to a great start! We had 20 First Year students (at capacity), but one has since dropped. We had 11 Second Year students (15 is capacity), but one has dropped. We will have a great group of graduates this spring again, and we are working on adjusting the Spring schedule so they can get to work before graduation.

Again, please contact us if you have any questions or concerns about anything.

Thank you,

Rod and Erin
