

**Auto Body Collision Technology  
Advisory Committee  
February 26, 2001**

Present: Paul Adams, Gene Hendrickson, Ken Wagner, and Roger Rivera

Dr. Gunderson asked for representation to the NCA noon luncheon on April 11 from the Auto Body Advisory Board. Paul Adams and Chuck Hoard agreed to represent Auto Body.

Ken and Roger reported the NCA on-site visit April 10, 11, and 12. Enrollment for high school students is one full-time and two part-time. There are currently 22 full-time students in the program. Two students represented Auto Body at VICA competition this year.

Placement for 98-99 was 100% of students that wanted to work in Auto Body.

**Old Business:**

Facilities: Air make-up unit was again stressed as an urgent necessity. **Paul Adams made a motion to put in air make-up for both shops. Gene Hendrickson seconded the motion.** Further comments were on air contamination in shops with the right amount of clean air should be coming in versus exhaust for health safety reasons.

Equipment: The committee recommended Auto Body purchase new style paint guns: 2 SATA and 2 Binks.

Safety: A recommendation to convert all air respirators to fresh air and be tested by 3M.

Internships: One student is on internship. There were three in 98-99.

Gene Hendrickson made a motion to adjourn the meeting. Paul Adams seconded.
