

AUTO BODY ADVISORY MEETING

4/5/07

PRESENT: Bob B., Cory G., Geno H., Ira J., Jeff B., Dave F., Chuck H., Kent and Tim.

After a good meal, Kent and Tim called the meeting to order with the above people in attendance. They opened with the agenda:

- A. Tim talked on enrollment - good #'s, spoke on student's moral and interests.
- B. First Aid & CPR - good or not? Think about adding it to be a pre rec. for 2nd year? Tim talked on what was going on presently with the students, making a plan for repair using S10 front clip, Kent spoke on doing some custom painting and airbrushing. Students are very interested one to two hours a week.
- C. Budget : Ok for supplies, new equipment, used equipment budget for tools last year. Talked about looking for money elsewhere-- Rydell, Westside, Northern Motors etc.
- D. Job placement; excellent 10 of 12 for 06. Check the shop list/follow up letters.
- E. Skills USA- Kent highlighted the trip to St. Cloud. TRF Auto Body Dept will send a letter to skills USA.
- F. Facilities- we need more space. Check on 20 students... too many? Talk to Jeff on broadcasting room? When they leave. Some students complained about space, tools, equipment, need more. To keep the enrollment up.

Open Forum:

SRS, curtain airbags etc.
aluminum welding
Scan tools for SRS.
ASE cert. to Master level

Tim adjourned meeting.

Toured Shop.
