

April 14 2009

Advisory Com. Meeting - Tins Class room

Attendees - Tim Reuter, Kent Wagner, Chuck Hoard, Ira Johnson, Geno Henriksen, Paul Adams, Russ Olson, Cory Gustafson, Cory Bugge, Dave Flaten, Jeff Basinger

reviewed Old minutes -

Approval ^{1st} Jeff Basinger
_{2nd} Cory Gustafson

enrollment -

Tim starts with 14, ~~at the high school~~
6, High school. Ten are going to
2nd year.

- As of today no students have registered
- Would like to see open house held at an earlier date -
- 9 students came to open house two signed
- Prine Steele car show this coming up weekend
- Tim has made up post cards to be sent to all 150 prospects.
- personal contact is what we feel is most important.

Skills USA -

- We didn't attend this year, no Budget Tim & Kent asked for 2100.- only got 600.- can't cover expenses of registration, rooms, travel costs. We do plan to attend next year.
- we need to come up with a fund raiser to help cover costs.
 - CAN we ADD an Amount to each project?
 - Street wizards scholarship?
 - Auto Value event trailer at CAX shows?

facilities -

- right sizing, we didn't make the list.
- we can reapply in 2012
- Osha grant for new Bunker in spray Booth
- Bunker Box cost was 8500.- for old booth
- Chuck was Able to help find the Box.
- new controller Box was paid for by maint. Dept.
- Paint Mixing room / vent room, can be added to paint booth ventilation. room size would be 8x8 if all works out.

Awards for Excellence:

This was a night class

- Had 12 students, 3 week program
- cost is 250.- per student
- some tools are included
- No funding Awards for excellence this year

Budgets:

- There will be a 2000.- cut
- Budget is \$24,000.-
- There is a little left to stock for next year
- Budget works ok for this year class size
- Equip Budget to mixing room, frame tools.

future of the program

- D.L. is the closest to us.
- Can we get access to others student lists
- How does our web site look?
- Went on Face Book trying to promote program
- They want to cut the course to 60 credits
(didn't pass)

Curriculum:

- CAN we use a time clock
- course use to be 2000 hrs
- would give students some responsibility
- Chuck made a motion to put the Time clock back on, Ira 2nd it
- all in favor of the time clock
- Attendance is always 1st question asked when job hunting.
- our placement for 2007 is 100%

Motion to adjourn:

Chuck 1st
Dave 2nd
