

Northland Aerospace

Advisory Committee

March, 29th 2015, Minutes

Present: Lynn McGlynn, Dex Gonsorowski, Richard Chapman, Jeff Krein, Erik Hokuf, Ron Donner, Dan Kasowski.

➔ Meeting opened at 6:45.

Old Business:

➔ Discussion regarding Facebook

- Committee decided to abandon this idea for now.
- Committee motioned that we get an explanation of marketing, what is being done, what do we have to work with, can it be used with social media. Motion by Dex that Curtis Zoller compile that information for the next meeting, Second by Ron. Also suggested that we all look at the UND aerospace web site.

➔ A motion was made by Morgan to request NCTC to develop a specialized program/course specific to industry needs. Seconded by Erik, Committee for discussion of development is Richard Chapman, and Erik Hokuf.

- Richard Chapman, and Erik Hokuf continue discussion.

New Business:

➔ Ron Donner gave a very good presentation on the state of aviation to the students at the conference.

➔ Equipment Updates-Was suggested that a spreadsheet of our assets/aircraft and needs should be on website. Some companies are looking to donate equipment

- Committee requested a list of six items from the instructors of items needed for the school. Ron motioned, Eric second. Jeff will supply list soon.

➔ ATEC-Curtis may possibly be attending in April

- No one from the school was able to attend the ATEC, Advisory Committee agreed that our school should have a presents there.

➔ Next meeting in October 2015

Meeting adjourned by Morgan Stroh at 7:35.
