

Northland Aerospace Advisory Committee

Date & Time: February 28 2017, 3:00 PM

Campus Room# AV=-16, Web-Ex

Attendance: Greg L, Zack N, Ron D, Amber B, Bob W, Richard C, Morgan S, Dan C, Adam M, Lynn M, Tom B, Erik H and Jeffery K.

Old Business:

- College Re-write of FAR 147 operations
 - Much discussion on why we are doing a re-write and when the new FAR 147 should be released (June or July 2017)
 - Motion by Bob W to hold off on re-write and approval of new material currently put forward for approval, until the changes to FAR 147 have been released by the FAA, Seconded by Zack N, Motion carried
 - Ron D, mentioned that the FAA inspector class for FAR 147 may be open to instructors.

New Business:

- Committee is concerned with the 25 student cap for our program.
- Advisory committee would like to have a conversation with Chad Sperling, I will invite him to our fall meeting.
 - Ron Donner- suggested that we do press releases thru his publications on line.
- Suggestion by Erik H, to send every aircraft business with more than 10 employees, information on our program, and contact information for people that may have an interest in aviation maintenance.
 - Also suggested that we invite the DOM, and/or training officer from Boutique Air for tour of the facility.
- Next meeting (informal) Set for March 26th at 6:00 PM

Meeting adjourned 4:25 PM
