Topic	Responsible Party	Discussion/Outcome
Call to order		
1. Program Update	All	Robert Displayed the new lead aprons that were purchased for student use. The money was part of the donated equipment funds that were received from Altru, and Sanford Hospital.
2. Sustainability update	All	Jodi Stauss-Stassen was given the floor and announced that the CVT program will not be starting a new class cohort for the start of Fall 2015. During this time Administration is working on a "fact" finding mission to determine the need for the program and if at all what changes are needed for the curriculum. The student who are currently enrolled with a projected graduation date of Spring 2016 will be given the opportunity to finish. Jodi stated that for any questions feel free to contact her.
	All	Meeting Adjourn at 7:15
	All	Next meeting fall 2015
