Minutes

The meeting was called to order at 7:00 p.m.

Present were: Diane Rothschadl, Vicki Thompson, Jeremy Carlson, and Courtney Hultgren

Old Business:

- Storage space: Manicure tables are out in the hall. Welding students are using them to eat and sit on and they are becoming damaged. Courtney made a motion and Jeremy seconded that a letter be sent to Dr. Gunderson and Jim Strandlie that we have a place to store manicure tables.
- Diane read the memorandum sent to Dr. Gunderson requesting a break room. Students are 100% supportive of this.
- Vicki made a motion regarding self closing doors on dispense and bathroom doors. Courtney seconded this motion.
- Discussed the need for secretarial assistant.
- Discussion was held about the need for good reliable work study.

- Discussion regarding Massage Therapy Program. The need for therapists is increasing. Students need to go to Grand Forks to receive the training. More students would continue their education and Northland if we offered a Massage Therapy Program. Northland is missing out!
