

**Northland Community & Technical College
Dietetic Technology Advisory Board**

Date: Tuesday, October 25, 2016

Time: 4:30 p.m.

Place: Northland Community & Technical College
2022 Central Ave. NE
Room 301
East Grand Forks, MN 56721

Agenda

1. Roll call with introductions
2. New Business
 - a. Student Update
 - i. Accepted – 7 students
 - ii. Ineligible – 2 students
 - iii. Request for student advisory board member – invitation extended to students with no one accepting
 - b. DIET Classes
 - i. All are approved by AASC
 - c. FNCE
 - i. Updates to the standards for accreditation.
 1. Discussed the upcoming 2017 updates and the need to update syllabi and the course map to submit to ACEND in Spring of 2017.
 - ii. Proposed Future Education Model
 1. AND is proposing a change in the future education model to include a “new” 2 year degree option, move the DTR to require a 4 year degree, and the RD to require a MS degree.
 2. Proposed changes are to take place by 2024
 3. Right now, they are looking for “pilot programs” to roll out the trial period to see whether or not the new degree requirements are recognized as being needed in the field. It will be many years until this is determined; so for now the AAS degree with Northland will continue as is until the trial and research period is complete.
 - iii. Opportunity to partner?
 1. Is there opportunity to partner with a MnSCU college for a 4 year degree?
 2. UND would be a great opportunity for partnership being “just over the river.”
 3. How do we make this work with Northland’s program being completely online, and UND’s being campus-based?
3. Next Meeting
 - a. 4:30 still works best for everyone
4. Adjourn
