| 3. Program Updates | Marie Remz | Goals: <ul style="list-style-type: none">• Field experience placements and partnerships, continuing to grow different programs and schools for Northland and exposure of our program in the community. Field experience and students are doing a great job and offered employment at the site they are completing their hours. This is great for Northland Community and Technical College Early Childhood students and programs.• Student success in field as employees in observation and assessment. Updating observation forms and projects in CDEV 2203 Observation and Assessment.• Implementation of guest speakers back to campus for continued education from the community. |
