Administration Report		Update was from last Mays advisory board meeting: John Fields and Heather Koland joined the meeting to update the board on

		<p>program sustainability. Pharmacy had higher numbers this year, but also did not have any students due to suspension. Heather talked about reaching out to different health systems and would provide some names and emails.</p> <ul style="list-style-type: none"> - Gaining sponsorship from other facilities. - Sean discussed the quality of Northland students versus someone who has not had any formal training. - Look into the training certificate. - Heather talked about recruitment within the healthcare system, such as Minot, Bismarck. - Workforce pipeline grant.
<p>Program issues Curriculum Training sites approval Admissions/Completion Criteria</p>		<p>Training sites will be approved in Spring meeting.</p> <p>Curriculum: The board talked about student administration of vaccinations and how to offset the cost of the training. Students do get trained as part of the ASHP model curriculum but still need CE approved from ND that has extra costs. It was mentioned to see if there could be a tuition differential to help offset these costs and have the CE course built into the current curriculum. Danika will check into this.</p>
