- 3. Officers:**

**Chair:** Mike Kolstoe

**Secretary:** Brad Naplin

- 4. Program Overview:** Current Enrollment, Curriculum Review, Current Equipment, Future Recruitment Strategies, Tour of Facility
- 5. Old Business:** two year program with 5 1<sup>st</sup> year students and 4 second year, maybe look into intro to agronomy versus geology, try to have John Deere and Case IH equipment to use for in class activities, Recruitment strategies seem to be in place and effective may have more ideas in the future to get to a few more venues to get the word out about the program.
- 6. New Business:** Jesse Dunham new member he is currently a Ziegler field tech in the Roseau area. Enrollment 8 students total 5 2019 graduates and 3 1<sup>st</sup> year students program capacity is 25. Curriculum changes that have occurred or are in the works are the new intro to the program. Thinking of adding a credit to either electrical systems or advanced farming systems. Swap geology into intro to agronomy. College in the High School had a great take rate last year and is going well again this year.
- 7. Current Equipment:** 2 Iveco engines, couple power shift transmissions, differentials, overhead crane, new service truck just work on getting a good tool inventory for that, working on a raven iso node.
- 8. Purchase Approvals:** JD combine cab simulator NLA, fluid particle counter
- 9. Future Recruitment Plans:** More word of mouth and possibly bios of people in the industry to help spark some interest.
- 10. Next Meeting:** Tentative 3-5-19
- 11. Motion to Adjourn:** Naplin 2<sup>nd</sup> Dunham
