<b>Topic</b>	<b>Responsible Party</b>	<b>Discussions/Outcomes</b>
<b>Call to Order</b>	President: Beland Time: 5:05 pm	
<b>Last Meeting Minutes</b>	Beland	October 2022 --Approved via emails, no changes
<b>OLD BUSINESS:</b>		
<b>Application Process</b>	Beland	Incoming Cohort – 16 offered had 39+ selection points (up to 61) 38 points for 1 alternate, 1 declined
<b>NEW BUSINESS:</b>		
<b>Program Assessment Data</b> - Reviewed Annually	Beland	Annual Update – Class of 2022 Document <ul style="list-style-type: none"> <li>Met items discussion: <ul style="list-style-type: none"> <li><b>Effective Communication:</b> <ul style="list-style-type: none"> <li>Reflected in both Clinical V rotation evaluations and Employer Surveys, graduates continue to strive in effective communication strategies</li> <li>Beland reflected on the fact that the program utilizes multiple different sites requiring students to establish communication needs early and they build on them throughout the program -- thank you to our clinical sites for supporting this growth</li> <li>Beland also stated the program formatting of clinical curriculum throughout the program supports the communication progression</li> </ul> </li> </ul> </li> </ul>

	Beland and Tull	<ul style="list-style-type: none"> <li>▪ Sara Risky suggested focus on Radiologist communications – program to look into student sitting with the Radiologist for a ½ day</li> <li>○ <b>Professionalism:</b> <ul style="list-style-type: none"> <li>▪ Reg Prep Portfolio holds steady at 92% with a goal of average of 90% or &gt;</li> <li>▪ Goal setting throughout the program prompts professional structure</li> <li>▪ Beland supported resume and cover letter formatting, and CEU and CQR sections prior to submissions for Class of 2023, but there were still weaknesses in their projects (just finished correcting this year's)</li> <li>▪ Ryan Hager indicated importance of “keyword” correlation for resumes for job position and job description correlation, esp important for those students applying to larger facilities</li> </ul> </li> <li>○ <b>Clinically Competent Goal:</b> <i>Noted only 4 employees completed surveys – seeking much needed participation for accurate assessment practices</i> <ul style="list-style-type: none"> <li>▪ Aiming to improve survey completion</li> </ul> </li> <li>○ <b>Problem Solving and Critically Thinking:</b> <ul style="list-style-type: none"> <li>▪ Critically Thinking Procedures II change – Class of 2024 -results of change will not be reported until Spring 2025</li> <li>▪ Beland shared that King reported documentations demonstrates the Class of 2023 with an average of 87% (goal 90% average) Will be discussed more Spring 2024</li> <li>▪ Also reported by King were struggles with foundational exam requirement errors and lack of communication of basic order of procedures for the case studies’ trauma pt.</li> <li>▪ Tull is creating a new approach for the Critical Thinking Assessment, project in its infancy stages</li> </ul> </li> <li>● Unmet item discussion: <ul style="list-style-type: none"> <li>○ 1 Unmet SLO in peach on the attached document reviewed</li> <li>○ RADT2240 – Reg. Prep Comprehensive Exam – <i>Image Critique Exam</i> <ul style="list-style-type: none"> <li>▪ Trend Tracking shared and discussed</li> <li>▪ Beland recommended to switch to a RTBC examination format – 75 Procedures questions in the 3 ARRT Content Specifications Categories –Board approved of change</li> <li>▪ Continue Trend Tracking</li> <li>▪ Potential follow up—upon assessment of new RTBC approach, if still unmet, distribute the old exam for comparison</li> </ul> </li> </ul> </li> </ul>
--	-----------------	--

		<ul style="list-style-type: none"> <li>○ Noted was a need for proactive changes as the Class of 2023 just completed this assessment and it will be unmet for review next year= 8/12 students fell below the goal of &gt;77% with an average of 75.22% <ul style="list-style-type: none"> <li>▪ Those are worrisome results</li> </ul> </li> <li>● Image Critique Exam change to RTBC assessment <ul style="list-style-type: none"> <li>○ <i>Positives</i>: Clover Learning updates and adjusts questions frequently</li> <li>○ <i>Negatives</i>: Faculty cannot monitor what questions were assigned; students will all have different sets of questions as they are pulled at random for a test bank, students cannot review missed questions nor can the instructor</li> </ul> </li> </ul>
<b>Northland's Sustainability Report</b>		No new report available from 2022 data yet
<b>Program Updates</b>	Beland and Tull	<ul style="list-style-type: none"> <li>● Essentia Fosston addition <ul style="list-style-type: none"> <li>○ JRCERT approved</li> <li>○ Program starting first rotation with this Summer Clinical III rotation</li> <li>○ Class of 2024 will be only class in the summer to attend, with Class of 2025 starting rotations in Fall Semester 2023</li> </ul> </li> <li>● Unity Medical – Grafton <ul style="list-style-type: none"> <li>○ Addition in progress with the JRCERT</li> <li>○ Program hoping to start Grafton rotation with the Fall Semester 2023 for incoming cohort, first years only the inaugural year</li> </ul> </li> <li>● Ryan Hager mentioned willingness to add hours for program needs as RiverView extended their clinical hours to 7pm and evening and weekends are seeing increase in patient numbers</li> <li>● Rad Tech Boot Camp for program's entirety <ul style="list-style-type: none"> <li>○ Overwhelming support from students to continue and add its usage</li> <li>○ Faculty to add requirements and curriculum guidance from the Clover Learning platform for added student engagement in courses</li> </ul> </li> <li>● Scrubs academy is back June 6<sup>th</sup>, with student involvement <ul style="list-style-type: none"> <li>○ Ryan Tull and 4 students representing the radiology profession at this UND camp geared toward teenagers interested in healthcare programs</li> <li>○ Class of 2024 is full of volunteer focused students – a blessing!</li> </ul> </li> </ul>

<b>Clinical Updates</b>	Tull and Beland	<ul style="list-style-type: none"> <li>Needs or adjustments discussed               <ul style="list-style-type: none"> <li>Altru is the only trauma 2 center the students will get; “hospital-based learning experience” importance and needs discussed</li> <li>New student orientations needed through late Spring                   <ul style="list-style-type: none"> <li>Takes until the end of spring to complete rotations for 16 students</li> <li>Caution: needed all the way through Spring semester! Potential into summer also– no 1st year students to get ER or in-patients by themselves until mid-summer semester</li> </ul> </li> </ul> </li> </ul>
<b>Liftoff Summer Day Camp</b>	Beland	<ul style="list-style-type: none"> <li>Camps offered June 14<sup>th</sup> and July 20<sup>th</sup> 9am – 330pm</li> <li>Free event, please share in your facilities</li> <li>Student involvement – volunteering to support Northland’s Liftoff camps both in the radiology session and the overall event</li> </ul>
<b>Additional Comments/Questions of the Committee</b>		<ul style="list-style-type: none"> <li>It was noted that the board enjoyed meeting in person</li> </ul>
<b>Next Meeting:</b>	TBD	October 2023
<b>Adjourn:</b>	President: Beland Time: 7:15pm
