

## Northland Community & Technical College Healthy Campus Committee

March 28, 2007

3:30 pm

Room #306B

Attendees: Bob Gooden, Margarita Bracamonte, Mary Fontes, Richard Wills, Diane Rapacz

| Topic                         | Discussion/Outcome  |
|-------------------------------|---|
| 1. Call to Order              | 3:35 pm   |
| 2. Approval of Minutes        | Approved  |
| 3. "Thank You America" Parade | <p>Mayor Lynn Stauss has requested entries in the "Thank You America" parade on Saturday, April 21<sup>st</sup> in EGF. Line-up will begin at 12:00 noon across the street from the EGF Library in the big parking lot behind the fire hall. The Firefighting and Paramedic programs have been contacted and will have a fire truck in the parade. We are hoping for students and staff to walk along side the truck throughout the parade route.</p>   |
| 4. 5K Run/Walk                | <p>Mary reported that the second waiver revision is back from the Attorney General's office. It is a generic form that can be used by the entire campus for other events. Mary also reported that the Paramedic students will not be able to provide first aid and the Massage Therapy students will not be able to provide massages the day of the race, both due to liability reasons according to the Attorney General's office. Participants will fill-out the approved wavier on the day of the race.</p> <p>Justin will submit a special event application and course map of the race to the City of EGF and the EGF Police Department for approval.</p> <p>Diane will contact Mayor Lynn Stauss to invite him to start the race on May 5<sup>th</sup> with a "gun shot" start.</p> |

|                        |  |
|------------------------|--|
|                        | Posters and brochures will be distributed next week to health club facilities and businesses. The race information has been posted to the Convention Visitor's Bureau and Chamber of Commerce web sites. A press release has been sent to the media.   |
| 5. Frisbee Golf Course | Justin is meeting with the facilities committee, Jesse Adkins, and student Ben Hunter, to finalize the location of the holes on the Frisbee golf course. Equipment for the course has been ordered. Justin is working with Karla Anderson on setting up a cost center for the donations from the NCTC clubs to sponsor a hole. May 9 <sup>th</sup> is the target date to have the golf course completed. |
| 6. Adjourned           | 4:20 pm  |

**Next Meeting: April 25th @ 3:30 pm in room #106**
