

Northland Community & Technical College Management Team

October 4, 2006

11:00 am

Room #106

Attendees: Pat Balstad, Sue Dalager, Karla Anderson, Brian Huschle, Lindsey Wangberg, Gail Johnson, Renee Kringlen, Bob Gooden, Mary Fontes, Ben Hunter, Ellen Brehmer
Absent: Dan Sponsler, Mike Normandin

Topic	Discussion/Outcome	
1. Welcome		11:00
2. Fridge for staff/faculty lounge	Bob Gooden	The fridge that is in the faculty/staff lounge is not big enough for everyone. Would like to see a bigger fridge to handle both the staff and faculty. Gail Johnson is going to bring it to the next Cheer Fund committee .
3. # of vehicles	Bob Gooden	Need to check into getting 1 or 2 more vehicles. Bob is going to check with TRF to see how many vehicles they have to check out to their faculty and staff.
4. Smoking areas/butts	Mary Fontes	Bob Gooden needs to check and see if the butts and ash trays are being emptied and picked up. The smoking signs will be put up at all non-smoking entrances.
5. Testing center (Pearson Vue)	Mary Fontes	<p>Jennifer Sunberg (via teleconference) Stated how Thief River Falls testing center was working and that testing with Pearson Vue they only make \$5.00 per test. Pearson Vue is not money maker. TRF the actual testing will do is more of a service. There will be a testing center in EGF opening soon not sure where it will be located. Need to keep on the agenda for next meeting.</p> <p>This is just a brief overview with more discussion in the future.</p> <p>Bob talked to Milt and he gave 87 tests the other day. Mike needs call a meeting with Ellen and Milt regarding our testing situation.</p>
6. Frisbee Golf (from Healthy Campus Committee)	Mary Fontes	Justin Berry (Healthy Campus Committee co-chair) would like to see 9 hole Frisbee golf course located outside on the North side of main college building from the Healthy Campus Committee. Will look to see if the clubs are willing to donate for each of the Frisbee golf

		nets. Karla motioned for Student senate to ask the clubs if they are willing to contribute. Mary Fontes is checking on the Liability.
7. Repro Room	Bob Gooden	There is going to be changes in the Repro room and will be completed over MEA week. Remodeling and mailboxes, copy machine, Pitney Bowes and UPS will be moved.
8. Student Hangouts	Bob Gooden	Student hangout located outside over on the North end of building starting this week will be completed the end of October.
9. Student Refrigerator	Ben	Declined sharing a fridge with employees. Sent back to Student Senate to discuss details on reality.
10. Student Campus Choir	Ben	Rob Suderook & Rita Lealos have been working on student/community choir. They have over 100 students that would be interested. Attempted to run on schedule need more students (Brian Huschle). Mike needs to call a meeting with Brian and Robert Suderook to talk about student /community choir.
11. Old couches what are you doing with them and when are the new ones arriving?	Ben	Tabled
12. Storage for Student Life/Clubs ext.	Ben	Tabled. Mary is going to bring this up with Mike Normandin.
13. Grand Forks Herald came to student senate 187 a week for total of 250. Would college help pick up the tab.	Ben	NO - not interested in purchasing GF Herald papers at this time.
14. Other		Entrance B located on the South end of building there are issues on driving too close to the entrance. Bob needs to take this to the Safety Committee. New view books are out and in mailboxes.
15. Outreach Update		New vice president Bonnie Stewart – Jackie & Pat will be located in the Swenson house in TRF. Robin & Susan will be the only ones left on the EGF campus. Lindsey Wangberg's office is going to be located down in the Learning for Outreach area.
16. Next meeting		November 8 th 11:00 am room 106.
