***Congratulations and thanks to these individuals
and departments for their “+1°” efforts!***

- To Mark Johnson, Rom Ogaard, and their program hosts and volunteers for a successful pledge drive for Pioneer 90.1. They exceeded their \$4,000 goal! Congratulations also for co-sponsoring a successful bluegrass fundraiser concert in June, with donations going to the Pennington County Humane Society.
- To Diane Scott, RN faculty, for her appointment to the Minnesota Board of Nursing.
- To the Center of Outreach and Innovation, and faculty members Andrew Dahlen and Joel Zeigler, for successful RoboStorm Camps this summer in TRF, EGF, and Roseau - with a total of 46 sixth, seventh & eighth graders participating.
- To the NCTC Foundation for acquiring a full-scale model of a Global Hawk unmanned aerial aircraft, donated by Northrop Grumman Corporation, on display at the airport campus. Check it out!
- To Stacey Hron for earning a bachelor of science degree from Bemidji State University this summer!
- To all support staff who worked hard this summer to have our facilities ready and our students' needs met for a successful start to the fall semester.
- To Shannon Nelson and Jennifer Dahlen for coordinating the Student Success Day activities, and to all the faculty who led the breakout sessions or assisted in various ways throughout the day.
-
- To all new employees --- Welcome to Northland!
