

FY07 Technology Committee

Purpose and Membership

Technology Subcommittees: A member of the ITS staff will serve as the chair and recorder of each subcommittee for the academic year. Each subcommittee should meet once per month and post all meeting minutes to the college web, as well as provide an electronic copy to the members of the Technology Committee (groups within GroupWise). The chair and one other elected representative will serve on the College Technology Committee. The College Technology Committee will meet once each semester and be chaired by the Director of Technology.

COLLEGE WEB

A team comprised of students and employees committed to continuous improvement of the college website, as well as making recommendations for priorities and future enhancements.

- Chair: Chad Sperling
