Team Meeting

Date: April 21, 2005
Location: Web Cam

Time: 12:00 pm

Chair: Scott Foss
Recorder: Roger Peterson
Members Present: Scott Foss, Roger Peterson, Stacey Hron, Bob Gooden, Don Campbell, Steve Alston, Sue Olson

Members Absent: Earl Fraser, Ranona Noyes, Don Fischer, Jeffery Thomas,

Guests: None

Team Minutes

Agenda item #1: Cisco meeting @ EGF

Presenter: Scott

Discussion:

Scott and Stacey have looked into a program called Clean Access and decided the cost was too much and are not recommending for purchase. This program would enforce antivirus programs on a computer and would deny or restrict network access if requirements were not met.

Conclusions: Not to purchase the program

Action items

Person responsible:

Deadline:

- ✓
- ✓
- ✓
- ✓

Agenda item #2: Wireless access points at TRF

Presenter: Stacey

Discussion:

The need for more access points at the TRF campus so instructors, staff and students with laptops can have network access. Several AP have been added.

Conclusions: Do an evaluation of the whole campus for additional access points.

Action items

Person responsible:

Deadline:

- ✓ Report the number and locations of access points
- ✓
- ✓
- ✓

Scott and Stacey

Agenda item #3: EGF network wiring **Presenter:** Scott

Discussion: What must be done to get the wiring up to date for bandwidth needs.

Conclusions: Much of the campus needs to be rewired to new closets to meet the bandwidth requirements and be installed to code and labeled correctly.

Action items **Person responsible:** **Deadline:**

✓ Begin the work this summer

Scott

✓

✓

✓

Agenda item #4: Expand server room in EGF **Presenter:** Scott

Discussion: The server room is too small to adequately house the servers and associated hardware. Another room is needed adjacent to the current server room.

Conclusions: Check on adjoining rooms for space.

Action items **Person responsible:** **Deadline:**

✓ Work with Bob and Steve on obtaining space

Scott
