I = Info, **D** = Discussion, **A** = Action

MINUTES		
TYPE	AGENDA ITEM	ACTION TAKEN
I	Check-In	
D/A	Current Proposal Requests: MyNCTC Mobile App – Renew or Not Renew (Stacey Hron)	MyNCTC – App has been around for a few years. Low usage. Lots of duplication between what the app offers and other online services we offer to students. Total cost for a three-year renewal was just over \$31k. FFT Council already decided not to renew at their April meeting.
D/A	International Flag Proposal – (Kirsten M.)	International Flags – Advancing Equity committee is considering adding some signage about the international flags and forming a group to determine which flags to display. There was discussion of the purpose of the flags being to represent recent and current students. Also discussion of another display to represent the heritage of our students. The AE committee will get a group together to move forward.
I	Committee Updates: 1. Advancing Equity - Kirsten 2. Well-Being Work Group - Becca	Advancing Equity – Minutes from last week’s meeting were emailed out. Review of the Connecting the Dots presentation. Committee applied for a NW Minnesota Foundation grant for \$10k to put on similar programming next year. Committee will meet this summer to plan events for early in the fall semester. Well-being Work Group – Rebecca emailed minutes from the meeting to the College Council.
I/D	Open Agenda:	The group thanks Dorinda Sorvig for all her work this year. Positive feedback from the group about the work that has been accomplished over the year.

I	Check Out
